

Auctioneering

Members aged 26 years and under (1st September 2018)

Each Competitor will be required to auction 3 lots. Prior to the auction commencing the competitor will view a total of 6 items. Lots will include agricultural and non-agricultural items. The Competitor will then have 20 minutes to draft a hand written, catalogue-style description and provide a valuation figure for each item on the day of the competition. The competitor is to hand their descriptions and valuations to the judge prior to the auction. The judge will choose 3 items at random, from the 6 available, for the competitor to auction. The judge will identify one of the lots to have a reserve. The item and price of the reserve lot is at the judge's discretion. The competitor should provide an introduction to open the auction sale, outlining the procedure and relevant conditions of the sale e.g. the payment process, order of the auction, buyer's commission rate. Competitors at the NFYFC Final will not be eligible to watch other competitors until after they have competed. Stewards will be placed in the audience to act as purchasers on the lots to ensure there is enough bidding to enable the competitor to demonstrate the skill. These stewards will be anonymous to the competitor and will only bid if no other bids are forthcoming. Stewards will have no knowledge of the items values provided by the competitor. Once all of the lots have been 'sold' the auctioneer will close the auction in a suitable way and the judge will work out their score.
