Rally Month 2021

BALE ART

This month was kicked off with the first of our weekends of Rally Competitions which was the Bale Art Competition on Sunday 2nd May which was kindly judged by our County President. This was a great way for our members to start meeting again safely to work together for their club. We have some great entries and hopefully they have put a lot of smiles on passers by faces before the storms came. The theme for this years competition was "Thank you to our Keyworkers" Well done to Beaminster, Gillingham & Shaftesbury, Puddletown and Sherborne YFC who all took part. The winners will be announce at our Presentation Day in August.

FENCING COMPETITION

On Saturday 8th May we moved to our Fencing Competition. Unfortunately we didn't have a lot of entrances however we with this in mind we were able to move the competition to a social competition and it was great to see the teams showing their handiwork and we have a team going

forward to the SWA Round on Sunday 15th August if restrictions apply. A big thank you to our Judge Mr Rob Knight for his time and expertise in this particular

competition. Thank you also to the Martin Family for letting us use their very spacious venue. Well done to Puddletown YFC and Beaminster YFC who took part and worked very hard on the day.

PALLET UPCYCLING COMPETITION

On Saturday 15th May it was time to introduce the NFYFC Competition of Pallet Upcycling. This was a great way for the members to work on their own ideas and designs with just two pallets. It was great to see the designs taking shape and they were too close to place for our judge Matt Frampton so the final winner was decided by a closed members vote with pictures only, thank you for all your help for those who voted.

Presentation of Trophies for the year to also include a BBQ
Register your interest to attend by email to office@dorsetyfc.org.uk or call 01305 263947
by kind permission of Kingston Maurward College

You don't have to be Farmer to be a Young Farmer #jointhefun

This NFYFC Pallet Upcycling competition is a direct entry to NFYFC and the winners of our competition will be announced at our Presentation Day. Once again well done to Beaminster YFC and Puddletown YFC and to the Martin Family again for letting us use their venue and for providing lovely bacon rolls. If we could have got your entries in the car I would have taken them home!

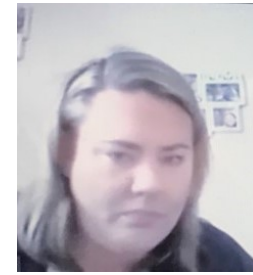

HANDICRAFT & COOKERY COMPETITION DAY

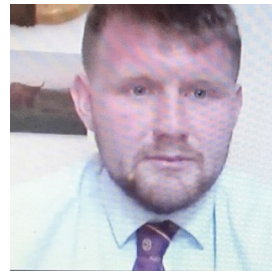

On Sunday 23rd May at Salway Ash Village Hall it was time for the Cookery and Handicraft Day. A lot of planning for this day has been taking place since our cancelled Rally in 2020 and we were very grateful for the assistance of Caroline House and Jenny Curtis on organising the Classes and Judges for the day as well as us being able to move some of the competitions online. These are all currently being displayed via our Facebook page and will eventually be added to the Website. We had some amazing entries on the day but unfortunately due to the weather we were unable to have them on display for viewing, we did try and set up a marquee outside but the weather and wind had different ideas and due to restrictions of 6 inside we were unable to have members inside so we have filmed all entries for you to view in your own time. A big thank you goes to our judges on the day Jennifer Horsington our Cookery Judge and Angela Rabbetts our Handicraft Judge, it was great to see them going through each individual entry with care and attention. We would also like to thank Mr Dave Alley who kindly judged the photography and limerick classes with some great feedback. Finally I would like to thank all our members and helpers who attended on the day who kindly followed all our Covid Restrictions and completed Flow Tests it was lovely to see everyone working together to make this day safe. All Rally Cups will be presented at our Presentation Day at Kingston Maurward College at 4.00pm on Sunday 1st August.

Dorset YFC Stockjudging Competition

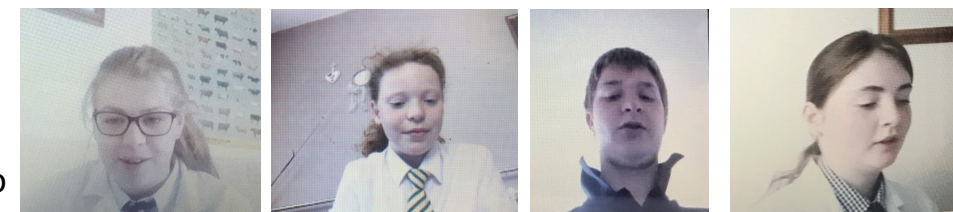

On a very lovely sunny Saturday 29th May our members took part in the Stockjudging Competition on zoom. Video clips were shown to the members and then they were given time to do their reasoning's. A breakout room was set up for each judge. A big thank you to our judges Laura Sales our Dairy Judge, Charlie Coleman our Beef Judge and Rob Hole our Sheep Judge and to Sherborne YFC for organising

the event. Well done to our members who took part on the day under unusual circumstances you all did extremely well. Our entrances were

Charlie Robinson - Sherborne YFC
Zoe Raymond - Beaminster YFC
Sophie Raymond - Beaminster YFC
Henrietta Love - Sherborne YFC
Samuel Mather - Beaminster YFC
Rebecca Mather - Beaminster YFC
All results will be given out at our Presentation Event on Sunday 1st August 2021. The NFYFC Continuation date for this competition is currently 18th July to be social but will be confirmed by them nearer the time. Those going forward will be contacted in due course to represent Dorset YFC

Chairman's Message

Hi all,
What a month we have had!

We started off with the bale art competition and had most clubs getting involved with spreading our thanks to key workers 😊

Beaminster and Puddletown embraced the weather for the fencing and pallet competition, and we topped off the month with the handicraft and cookery in Salway Ash! Considering our drop in membership the amount and standard of entries has been exceptional. Well done all!

Thankyou so much to all our judges and stewards over the past month!

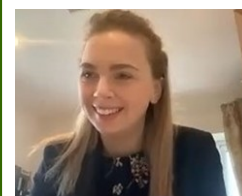

Thankyou to all our members who entered the stockjudging and to our 3 judges 🙌

Keep enjoying this sun safely and keep your eyes peeled for upcoming events!

Kind regards

Matt

Matt Frampton
County Chairman

Good Luck to
Poppy Burrough
who is taking part
in the NFYFC
