### Club Officer Training

On Sunday 31st October we held our Dorset YFC Club Officer Training Day at Frampton Village Hall. It was lovely to see so many of you in attendance and ready to learn more about what your role will be throughout the coming year. There were

plenty of games and breakout sessions to keep the day moving along smoothly. Those who attended were Club Chairman, Secretaries, Vice Chairman, Safeguarding Officers, Covid Officers and Club Treasurers. I would like to say a big thank you to all the County Team who assisted on the day and to Matthew Frampton for organising the day and also to Angela Frampton for an amazing lunch and for sorting the refreshments on the day it definitely kept everyone in good spirits. Thank you to everyone who has already completed their survey of the day we have had some lovely feedback and please remember we are always here for anything you need assistance with. For this event we applied for a Grant from Rural Youth

Trust and we hope that with the completion of the surveys this will also enable us to gain a further grant to assist with gaining funds to keep us active throughout the year with other learning opportunities.

After an eventful two years my time as county chair has come to an end!

It was great to see so many eager new faces at the officer training and I'm sure the federation is going to thrive out of this pandemic!

I look forward to seeing a few of you at the Harvest Suppers which have now commenced, if you get a chance to attend for your club please take up the opportunity, it's a great way to celebrate the end of the year.

Thankyou to my county team, I really couldn't have done it without you!

Let's keep YFC the best organisation out there !!!

Keep safe
